## **Drinks**

### **Coffees**

All our coffee is made using an Organic blend of whole beans from the Monmouth Coffee Company in London. Founded in 1978 they have remained a small business obsessed with all aspects of the process of getting the very best coffee from high altitude sources into our cups.

The blend we use has 3 different beans sourced from Brazil, Columbia & Guatemala to give it balance and incredible flavour! All beans are ground seconds before arriving at your table.
